**About the Race**

This year the Deacon's 5th annual 5K Fun Run/Walk raises money for The Brittany Miller Foundation, a charitable organization formed in the fall of 1995 to fill a great need in our community: providing financial assistance to families from the Hudson Valley who have children undergoing long-term medical treatment for cancer. Funds raised will not be used to pay for the child's actual medical care; rather, donations will be made to families for other "hidden" costs, including hotels, restaurants, tolls, gasoline and other miscellaneous expenses incurred by families who must take sick children to hospitals or other facilities for frequent treatment. The Foundation is inspired by the memory of Brittany Miller, a Middletown, New York girl who on July 31, 1996 -- her seventh birthday -- died after fighting a spirited battle against brain cancer. Given the nature of this Foundation, even a little money can make a great difference. Your support would be greatly appreciated.
